

## Photo Consent

Shipshape Solutions is proud of the organizing work we have done with you and would like to include it as part of our work history. We would like to use the before and after photos we have taken in our marketing materials. We will only include your name, location, or any personal information with your express permission and approval.

I (We), \_\_\_\_\_ do hereby consent to give Shipshape Solutions the right to use my photographs for reproduction purposes in the promotion of their organizing services. These purposes include, but are not limited to, brochures, posters, presentations, and website. It is also my understanding that following the initial use of my photographs, I may instruct Shipshape Solutions to discontinue their use at any time in the future. I have read this release and fully understand its content.
