

## Referral Program

At Shipshape Solutions, we recognize that our best referrals come from our clients. We are thankful for every time you mention our organizing services to a friend. We are so thankful, in fact, that we want to reward you! **Every paying client that refers a new client will receive either 1) a free hour of organizing or 2) a \$25 gift card to the business of your choice.** You will receive this reward after the new client has paid for their first organizing session.

So spread the word and get your reward! It's as simple as that!
